Fred Goede

SASOL

reaching new frontiers

Fred Goede

Manager Health and Environment Sasol Group Services (Pty) Ltd

Fred has been with Sasol for 19 years. He worked at Research and Development for 9 years, mainly involved with operations support in Secunda and Sasolburg on water and waste treatment.

In the mid nineties, he established the only laboratory in South Africa that conducts product biodegradability tests, and introduced the first product life cycle assessments on Gas to Liquids and Coal to Liquids into Sasol.

Since 1999, he works for Sasol Limited at the Safety, Health and Environmental Centre. His portfolio includes an auditing role in SH&E governance around the globe and provides strategic direction on health and environmental matters.

He was a member of the Chemical Review Committee for the Rotterdam convention on behalf of SADEC, and was a lead author of the Intergovernmental Panel on Climate Change (IPCC) Special report on Carbon dioxide Capture and Storage which was published in 2005. He is married and has two daughters.
